Seniors in "Who's Who," l. to r. Bill Kennedy, Mickey Clark, Jim Crowley, Pat Goedert, John Gordon, Barney Francoeur, Dave Etwiler.

Confirmation on list received last week

Twenty-two St. Joe seniors have been named to the 1961-62 edition of *Who's Who Among Students In American Universities and Colleges*. They were selected by vote of the senior class and the nominations were confirmed last week by the editors of the publication.

Following is a list of the nominees to *Who's Who*.

Bernard J. Casey, a civil engineering major from Chicago, is a member of Delta Epsilon Sigma, the national Catholic honor society, and was president of the St. Joe Engineering club last year. He is now studying at the University of Illinois under the three-two engineering program.

Michael L. Clark, a mathematics major from Louisville, Kentucky, is a varsity basketball letterman, (Continued on Page 4)

work to begin on new center

Contract winners for the construction of Halleck Student Center have been selected, and construction of the new student center and a new faculty residence will begin within the month with a ground breaking ceremony on Tuesday, Nov. 7. Congressman Charles Halleck of the second district will break ground at the 2 p.m. ceremony.

Fr. Raphael Gross, president of the college, announced late Tuesday that the Superior Construction Co. of Gary has been sent a letter of intent informing them that they will receive the contract for general construction of the two new buildings.

Working with Superior will be the Morrison Co. of Hammond, mechanical contractors, who will install plumbing, heating, ventilation and air conditioning equipment.

Rensselaer electric Co. has been named to do the electrical work in the center and the residence for the priests and brothers.

Superior Co. will be here next week to begin setting up operations, and work will begin immediately thereafter.

SJ Band to present pop concert Nov. 6

St. Joseph's concert band, directed by Adam P. Lesinsky, will present a "pop" concert on Monday, November 6, at 8:15 p.m. in the college auditorium.

Featured on the program will be selections from four Broadway musicals, "The Sound of Music," "Flower Drum Song," "My Fair Lady" and "Bye Bye Birdie." Other numbers on the program will include "Vincent, Youman's Fantasy," "Wonderland by Night," "Hollywood Jubilee" and "When You Wish Upon a Star."

The concert band, which usually does not begin its concert season until December, was requested by members of the faculty and student body to present this special "pop" concert.

Later in the semester the concert band will present its annual Christmas concert, and during the second semester the band will give its annual spring concert followed by a second "pop" concert.

Tutoring service to start soon

The student tutoring service, sponsored by the Student Council academic committee and Delta Epsilon Sigma honor society, is ready to begin operation as soon as quarter grades are released, according to Vince Salvo and Gary Madison, co-chairmen of the project.

Names of students planning to tutor were collected at a meeting held Monday night. As soon as grades are published, a letter will be sent to all freshman and sophomores who receive grades of D or F in any course informing them of their eligibility to be tutored. These students, and others wishing to take part in the plan, may then obtain application forms from their prefects or from those who will be tutors.

Once the applications are processed, and students assigned to the tutors according to particular courses, sessions will begin. It is hoped that tutors will have groups of no more than ten students. Sessions will be arranged by each group to suit the needs of the particular group.

Salvo, chairman of the academic committee, and Madison, president of DES, stated that the plan remains to charge fifty-cents per student per session. Reports of attendance and income will be filled out by the tutors each week, and it is hoped by the chairman that the Student Council will aid in payment of those tutors who do not make \$5.00 per week from the fees of the tutees, so that every tutor will collect at least \$5.00 per week.

Christmas dance to be held Dec. 9

An informal Christmas dance has been scheduled for Saturday, Dec. 9, as a result of action taken at Monday's Student Council meeting.

The dance, which will be held in the Rec hall, will be free, as will cafeteria meals for students' dates. Informal dress will be observed, and social drinking will take place.

Tickets for the dance will become available in the cafeteria on Nov. 10. Forty tickets will be allocated for each (Continued on Page Two)

Schedule '61-'62 Convocation trips

As the response of the student body to the Purdue Convocations Series of 1960-61 was encouraging, the College Concert Series and Phi Eta Sigma will sponsor student trips to the Series of 1961-61.

Tickets for five of the performances have been purchased by the College and will be distributed to Joemen on a first-come, first-served basis. Students must furnish their own transportation to the Elliott Hall of Music in Lafayette, Indiana, where the concerts will be held; or take advantage of the bus provided by the school

for the small fee of one dollar, round trip.

The first of the series will feature the Berlin Philharmonic Orchestra, conducted by Herbert von Karajan, on Saturday, Nov. 4, at 8 p.m. The Berlin Philharmonic has been named the best orchestra in Europe after a Beethoven concert in Paris last year. Karajan is one of the most prominent conductors in Europe.

Since Karajan began conducting the Berlin Philharmonic in 1955, the ensemble has reached the optimum of brilliance and discipline which it had lost in the post-war years.

College, students both benefit by cooperation on UN trip

A distinct honor was recently bestowed upon St. Joseph's when the college was invited to send a delegation to an exclusive United Nations workshop to be held Nov. 10-11 in New York City.

In a heartening display of administration-student cooperation, provisions have been made for the college to take advantage of the opportunity which the workshop provides. The result should be beneficial both to college and students.

The Academic Dean's office and the Student Council have agreed to share the expense of sending a delegation, probably of six students, to the two-day event. St. Joseph's is one of the few schools invited to the workshop, which will give an insight into the operations of and the conflicts faced by the world organization.

The approximately \$300 which the trip will cost should bring dividends both in immediate practical terms and in terms of making the college better known, in the future.

As a direct result of the trip,

which will include talks by men such as Adlai Stevenson and Jawaharlal Nehru, and conferences on the operation of the UN, the returning delegates will be able to assure the success of next month's model Security Council here, and also the success of future sessions if some of the delegates are underclassmen.

In addition, the trip will provide the very real benefit of placing the name of St. Joseph's in a more prominent position in the minds of those on other campuses and in other areas of the country, thus definitely furthering the reputation of the college as a respected institution of learning.

All these benefits certainly dwarf the \$100 to be given by the Dean, and the approximately \$200 to be given by the Council.

If the administration-Council cooperation itself were the only benefit the expense would be justified. But the added benefits of education and publicity make the expense immeasurably more worthwhile. Both the Dean and the Council are to be congratulated for their perception in co-sponsoring this trip.

Model Security Council here Dec. 11-12 should aid everyone

By BILL KENNEDY

On Dec. 11-12, the St. Joe History club will sponsor a model session of the United Nations Security Council on campus.

The model UN session will contain many elements: the atmosphere of a political convention; interesting and challenging subject matter; an opportunity for personal participation and the opportunity to meet other students interested in international affairs.

The primary purpose of the UN is the maintenance of international peace and security. The Security Council is the body primarily responsible for this end.

A close study of the UN brings about an understanding of its rules and functions. It likewise tends to create an appreciation for its work and aspirations. It is this type of close study that is promoted by a model UN.

If one is forced to defend a policy with which he may or may not agree, he gains a deep insight into the policy itself, and into the problem it attempts to meet. The resolutions submitted are less important than the knowledge gained in forming them, and in bargaining and compromising with other delegations to insure their passage.

Here, then, is a chance to observe the wheels of diplomatic technique as they actually turn. The UN atmosphere, its procedures and protocol, are best learned by experience derived from membership on student delegations.

The problems to be discussed during this two-day session are Chinese representation in the UN, Berlin, Disarmament, Cuba's charges of aggression against the United States, and possibly the Congo.

Views of the countries involved will be presented by student delegates. Other students will be chairmen of the delegations representing the five permanent and six alternate members which make up the Security Council. The chairmen and the

delegations will be free to challenge speeches and points on the various problems, and to express their own views.

Serving as Secretary General for the model session will be Bob Urig. His assistant will be Chuck Clemens. The President of the Council will be George Marchal, assisted by Tom Moloney. Other Committees will be headed by Ed Vanderplow, Pat Timmins, Doyné Hahn and Norb Kuntz.

An article will appear in the next issue of STUFF concerning the formation, membership and duties of the delegations to be formed by the students. There is an opportunity for everyone to participate.

Dr. C. MacDougall to speak here Dec. 5

Dr. Curtis MacDougall, one of the nation's leading authorities on public opinion analysis, will appear at St. Joseph's college at 7:30 p.m. on Tuesday, Dec. 5, 1961 to speak on "Freedom of the Press" and discuss his controversial book, *Hoaxes*.

Dr. MacDougall is probably the leading exponent of liberal thought in the field of journalism. He is currently much alarmed over the threats to traditional American liberties.

In the literary field Dr. MacDougall is quite a prominent figure. His book *Understanding Public Opinion* won the national research award of Sigma Delta Chi, journalism fraternity. Since there is no Pulitzer prize for research, this is the highest award of its kind. His *Covering the Courts* also won a Sigma Delta Chi citation.

The book he will discuss here won him national acclaim. It is a study of approximately five hundred imposters, forgeries, swindles and fakes in history, literature, and religion.

However, *HOAXES* is much more than an amusing compilation of fakes and follies. It is a serious study of the psychology of belief, a shrewd analysis of why and how these hoaxes succeed.

What is a hoax? According to Dr. MacDougall, it is a deliberately concocted untruth made to masquerade as fact. Who believes them? Virtually everyone who reads the daily newspaper. Why do they believe? Because man is ignorant, suggestible, influenced by the prestige of a newspaper printing them and glad to believe the thrilling and spectacular.

Hoaxes is now on sale at the college bookstore.

SJ wins first, 8-7, over DePauw

Shotgun offense rolls over Tigers

By CHARLES SCHUTTROW

St. Joseph's Pumas, featuring a semi-shotgun offense, out-played and outscored DePauw's Tigers, 8-7, last Saturday on St. Joseph's field to cap their first 1961 win and first home victory since 1959.

Fullback Dennis Mudd plunged four yards to score with 4:14 gone in the second quarter and quarterback Dave Beam threw to end Dick Hagye for a two-point conversion to account for the Pumas' eight points.

The Pumas now have a 1-5 season record while DePauw, who has never beaten St. Joseph's, sports a 3-3 mark. It was the Pumas' first Indiana Collegiate Conference win. They now stand 1-4 in the ICC.

Ball State set up their score when late in the first period St. Joe quarterback Dave Beam punted from his own 37. But the ball hit the back of one of his blockers and bounced backwards to the St. Joe one-yard line where DePauw tackle George Lortz recovered.

On the next play DePauw fullback Duff Gula plunged one yard for the touchdown. Guard Bill Kinkade kicked the p.a.t. and DePauw led, 7-0.

Early in the second quarter Beam boomed a 50-yard punt to the DePauw eight, where it was returned to the 11. St. Joe held and Tiger quarterback Ed Meyer's fourth-down punt from his own five yard line went off the side of his foot and out of bounds on the DePauw 15.

Mudd drove off tackle for six yards, Beam lost one, and Mudd gained six again to give the Pumas a first down on the Tiger's four. Mudd then smashed off-tackle for four yards and the score.

On the two-point conversion, Beam rolled out around his own left end and passed to Hagye in the end zone to give the Pumas an 8-7 lead.

Later in the period a Beam pass was intercepted by Tiger center Richard Dean who returned it 18 yards to the Pumas' 42.

One play later quarterback Jim Menighan hit halfback Dave Clifford with a 37-yard pass on the Pumas' five. After St. Joe stopped halfback Dan Blunt's line plunge, Menighan dashed around his own left end into the end zone, but the score was nullified by an offside penalty.

Halfback Ed Skeeters and Menighan combined two runs to put the ball on the Pumas one, where DePauw again plunged into the end zone but found the tally nullified by another offside penalty. Kinkade's field goal attempt

from the 12-yard line one play later was wide to the right.

The Pumas received the second half kickoff and immediately mounted a drive to the DePauw 23. The drive featured a 25-yard pass play from Beam to end Dave O'Connor. After Zera gained three, the DePauw defense stiffened and took over on their 17.

St. Joe held the Tigers and regained possession on their own 43 after another Meyer punt. Beam got a first down on the DePauw 44 and fullback Jim

Betz got another two plays later on a short run to the Tiger 33. Three plays later quarterback Dennis Anderson ran for a first down to the 19.

Again the Tigers held the Pumas. Hagye then attempted a field goal from the 26 which was straight, but just short of the crossbar.

DePauw took over on their 20 in the fourth quarter and drove to a serious scoring threat. A Menighan-Henry Deering pass gained 12 and another Menighan

pass to Blunt gained 36 yards to the Puma 31 Blunt failed to gain on a line buck but Menighan hit end Wally Foltz with a 15-yard toss to the St. Joe 16.

After a Menighan-Foltz pass fell incomplete, Blunt gained three and Menighan added five to the Pumas' eight. From here Dean missed a field goal and the Pumas held their slim lead.

The Pumas gained 453 yards in completely dominating the game, but lost many scoring chances via fumbles and interceptions.

Following the game, jubilant members of the St. Joe student body swarmed onto the field and hoisted head coach Ed Dwyer and several players onto their shoulders.

Pumas prepare for Nov. 4 battle with Central State Marauders

By DAN RYDER

The Pumas of St. Joseph's will invade William Patrick McPherson Memorial stadium in Wilberforce, Ohio, Nov. 4 to meet the Marauders of Central State college. The Pumas will be looking for their second successive victory of the 1961 campaign.

Coach James J. Walker and his Marauders are again enjoying a victory-laden season. In four winning games this year, this high geared team has scored 125 points while allowing only 28. They have lost one game, to Tennessee State.

In this, Coach Walker's fifth year at the helm, he has fifteen returning lettermen, led by All-American candidate Sherlock Knight, a 5' 11" 245 lb. senior tackle. At the other tackle position Larry Smith, a 240 lb. sophomore, is having a good year after lettering as a freshman. In the middle of the line are guards Ray Kaufman, 225 lb. freshman, Fred Webster, 210 lb. senior, and center Terry Stewart, a 190 lb. junior. The ends are Dave West, 6' 2" 200 lb. junior, and Otis Harper, a 5' 11" 185 lb. sophomore.

The backfield for the Crimson and Gold will have veteran junior quarterback James Harper, a 6' 0" 186 lb. double-threat man, who

completed 47% of his passes last year, and who ran for many TD's himself. Fullback Maurice Pope, a 5' 9" 192 lb. freshman, is flanked by speedster halfbacks Washington Guyton, 6' 1" 190 lb. sophomore, and Moses Hampton, 5' 11" 175 lb. junior, who both averaged over seven yards per carry last year, while leading their team to a 7-2 record.

So far this season, Central State has walloped West Virginia State, 48-0, and Kentucky State, 44-0. Against W. Va. St., CSC had 393 yards rushing to their opponents 28. The Marauders picked up 353 yards against Ky. St., allowing just 53.

Currie wins net title

Sophomore Bill Currie took first place in the recently concluded intramural tennis tournament. Currie's record for the tournament was three wins and no losses.

John Luxem, a freshman, finished in the runner up spot in the tournament with a 3-1 record, losing only to Currie.

The tennis tournament, conducted on the local courts, was the first in a series of intramural events planned for this year in addition to the usual football, basketball and softball.

Butler downs Indiana State; Valpo defeats Ball State

Butler's Bulldogs came one step closer to a fourth straight ICC crown last week by defeating Indiana State 26-0.

The win, Butler's sixth of the year, twelfth in succession, and thirteenth of their last thirty-eight, was marked by a crashing defense which permitted State only 70 ground yards while the Bulldogs chalked up 251.

State's air attack met the same staunch resistance. Six of their 24 passing attempts were intercepted by Butler backs, while only five were caught by Sycamore receivers. Butler completed six passes in 14 attempts.

Butler remains the only unbeaten team in the ICC at 6-0. The Valpo Crusaders, however, stayed all even with the Bulldogs at 4-0 in the conference with a 28-20 win over Ball State.

The Crusaders won thanks to a tight second-half defense and the offensive prowess of halfback John Knight, who drove 17 yards for a crucial TD and kicked four extra points.

Puma bowling team defeats Loyola U. 6-5

The St. Joseph varsity bowling team edged the Loyola U. keggers 6-5 (points) in their opening Midwest Inter-collegiate Bowling Conference match Oct. 28. The match was held on Loyola's home lanes at the Marigold-Arcade on the north side of Chicago.

The Joemen earned their six points by taking 3 out of five games, dropping two games and series (4398-4368) to Loyola. Pat DelCotto paced the Joemen with a 936 series, followed by Rick Hanson with a 935 series, and captain Wally Nedza with 919 series.

Jim Handy, anchor man for the Loyola team, shot a 990 series, followed by lead-off man Jack Brown with a 918 series.

The St. Joseph bowlers, under the coaching of Fr. Boniface Drieling boast the return of five lettermen, Wally Nedza (captain), Rich Hanson, Joe Flizar, Steve Jupinka, and Harry Hansen, the same five which placed St. Joseph fourth in the MIBC last season, and won the MIBC tournament. Added to the team this season is Pat DelCotto.

Aside from Loyola, the Joemen will meet DePaul, Valparaiso, Notre Dame, and Illinois Institute of Technology twice during the season, once in each round. All St. Joseph home matches will take place at Maple Lanes.

Each MIBC match consists of five games, with the winner of each game earning 2 points, and series winner 1 point.

Matthew P. Walsh, a business administration major from Chicago, is vice-president of the Chicago club, and member of the Student Council Disciplinary Committee.

Varsity View Puma 'shotgun' killed Tigers

By BOB ROSPENDA

The word is out that the Jasper County sheriff's police are going to book the Pumas for carrying concealed weapons.

The Big Red brought a loaded shotgun to the game Saturday, took dead aim at a group of bewildered DePauw Tigers, and fired at point-blank range. The results were too horrible to describe. Some say it was manslaughter, but authorities claim it was obviously premeditated, cold-blooded murder.

BOB ROSPENDA

Instigators of the plot obviously were the ringleader Edward Dwyer, and his ruthless accomplices, James Holstein and Donald Merki.

The "shotgun" offense was unveiled Saturday afternoon by the Pumas, and the DePauw university Tigers are still wondering what hit them. The final score of 8-7 really didn't reflect the one-sided nature of the game, as the Puma offense piled up an amazing 453 yards.

The DePauw coaching staff had their frustrated Tigers outside the fieldhouse during halftime trying to devise a defense for the "shotgun", but it was all in vain as the spirited Pumas continued their onslaught in the the second half.

Justice prevailed in the closing minutes of the game as a DePauw field goal attempt went wide. It would have been a shame if such a superb offensive and defensive game by the Big Red would have gone down the drain.

The "shotgun" Saturday made best use of the talents of Dave Beam as a running quarterback. The DePauw defense had its hands full trying to contain Beam, Denny Mudd and the other backs in their explosive runs.

The win was not only the first of the season, but it was also the first St. Joe home victory in over two years. The game went a long way in instilling new spirit in the team and the entire student body. The impromptu pep rally in the Rec hall after the game proved that.

Head Coach Ed Dwyer said, "Previous to this game, my biggest thrill was scoring a touchdown while playing at tackle, but this victory far surpasses that as my biggest thrill."

A routine 8-7 victory may not look like much on paper, but it could be the start of better days. Dwyer and the rest of his coaching staff, with their young spirited team, may be on the road toward bringing winning football back to St. Joe's.

The Most Comfortable Shoes
You'll Ever Own

Hush Puppies

breathin' brushed pigskin by Wolverine

9.95

We're talking about Hush Puppies... the shoes a man really goes for. Why? Because they're so darn good-looking... featherlight and mighty easy to take care of. Soil brushes away... ground-in grime disappears with suds and water. Why not give 'em a try. You'll find a style, size and width just right for you.
